Hello Heather/Emma, have discussed with David. David is uncomfortable with hearing the submitters in between the applicant's evidence. Is it possible for you to contact Jo Appleyard/Lucy to see whether their witnesses can be available Thursday?
(I tried ringing you both but couldn't get through to either of you so hence this email – give me a call if easier to discuss)

Kia ora Denise,

The applicant had provided the days that their experts could talk.

Would it be okay if some more of the Submitters talked on Thursday? I know it's not the usual way, but it would help free up some time on Friday.

Let me know, and I can update the schedule.

Thake care,
Heather

Hello Heather/Emma, thanks for sending through the draft timetable which I have shown to David.

David would prefer that the applicant continue with its experts after Corrections on Thursday rather than having the gap and starting again Friday. There is a lot of evidence to get through and we are concerned will not finish all that is scheduled on Friday.

Regards

Denise

Kia ora Denise,

Sorry for the lateness in this.

I have attached the first draft schedule for David to look at.

Monday, we should find out if anyone no longer wishes to speak, and I will send you an updated one when it's final.

Hi Denise

Sorry we didn't send this through yesterday, I'm currently training Heather and with the school holidays I was on leave yesterday. I've attached the submitter evidence to this email which will be uploaded onto the website this morning.

Apologises again for sending this late.

Kind Regards

Emma Robertson

Hello Heather, I am Commissioner Caldwell's PA

Can you advise whether any submitter evidence was received yesterday please.

Also, David would like to know if there is a draft hearing schedule available yet that he is able to review.

Any questions, don't hesitate to call me.
