Kia ora Bruce,

I have put you down for the 9-9:45 spot with David tomorrow if that works.

I am also reminding everyone that the site visit is not an opportunity for any participant to provide additional evidence.

Kind regards,
Heather

Subject: PC80 site visit
Importance: High

Hi Heather,

As per Commissioner Caldwell's Minute #2 (attached as a reference), I would like to provide my availability (from the Applicant's side) to escort Commissioner Caldwell on his site visit (as per paragraphs 10 & 11).

Availability (in no particular order):

1. Wednesday (2nd) – 9 am to 12 pm
2. Thursday (3rd) – 8:30 am to 4 pm
3. Friday (4th) – 8:30 am to 4 pm

Once a time is chosen, then we will contact the respective landowners/tenants, but they are relatively flexible and should be able to work with our timeframe chosen or allow us access.

For the areas mentioned by Commissioner Caldwell in paragraph 10:

- 'where the stock water races terminate'
 - One is on 15 Two Chain Road property
 - One is on 25 Two Chain Road property but is right along the boundary of 77 Two Chain Road and is easy to access/view from 77 Two Chain Road
- 'where the main stock water race passes through the site'
 - This is between 139 and 183 Two Chain Road

I think it best to meet outside 15 Two Chain Road, and we can go from there.

Please let me know what time suits Commissioner Caldwell.

Thanks & Regards,

Bruce

(for Two Chain Road Ltd)
