That helps a lot!

Let's do
9.15-9:45 Bruce (that gives time to get to other sites) – phone number 021 285 2665
10-10:15 David Middleton 118 Two Chain Road – phone number 021 337 599
10:20-10:35 Donald Fraser – phone number 0276659481

Does that look okay? If any more come through, IT has decided to update all mailboxes today, I will let you know, and David can choose to visit or not

I will add the part about not pled cases in my email as well.

Have a great night,
Heather

Thanks Heather, for Bruce probably about 30-45 minutes to see all spots, and then say 10-15 minutes each submitter site – does that help

Kia ora Denise,

I have so far only heard back from two of the submitters.

I am wondering how long David would like to be with Bruce (Carters Group) and the Submitters for each site.

Just saw your other email come through

Hello Heather/Emma, I have checked with David and Thursday suits him best, but can you please check with the submitter group whether that day also suits them for the site visit. If there is an issue with Thursday, please come back to me, otherwise look forward to receiving an itinerary for David's site visit.

Regards

Denise

Subject: PC80 site visit

Importance: High

Hi Heather,

As per Commissioner Caldwell's Minute #2 (attached as a reference), I would like to provide my availability (from the Applicant's side) to escort Commissioner Caldwell on his site visit (as per paragraphs 10 & 11).

Availability (in no particular order):

1. Wednesday (2nd) – 9 am to 12 pm
2. Thursday (3rd) – 8:30 am to 4 pm
3. Friday (4th) – 8:30 am to 4 pm

Once a time is chosen, then we will contact the respective landowners/tenants, but they are relatively flexible and should be able to work with our timeframe chosen or allow us access.

For the areas mentioned by Commissioner Caldwell in paragraph 10:

- 'where the stock water races terminate'

- One is on 15 Two Chain Road property
- One is on 25 Two Chain Road property but is right along the boundary of 77 Two Chain Road and is easy to access/view from 77 Two Chain Road
- ‘where the main stock water race passes through the site’
 - This is between 139 and 183 Two Chain Road

I think it best to meet outside 15 Two Chain Road, and we can go from there.

Please let me know what time suits Commissioner Caldwell.

Thanks & Regards,

Bruce
