Hi Heather

No problems at all. Do you require me to be there?

Cheers Donald

I am sorry, but we need to move your visit to 2:20 pm tomorrow.

Please let me know if that doesn't work

Kind regards,

Kia ora Donald,

I have popped you down for a 10:20 – 10:35 spot with David; please let me know if that doesn't work for you.

I am also reminding everyone that the site visit is not an opportunity for any participant to provide additional evidence.

Kind regards,

Heather

**Importance:** High

Kia ora,

As per my last email, David would like to do an on-site visit this week; Thursday, 3 November, between 8:30-4, is the date that works best for those that replied.

If this date works for you and you would like David to visit your site, please let me know ASAP with the time you would like, and I can prepare a schedule for David.

If I don't hear from you, I will take that as you don't want a visit.
