Hi Heather

Sorry for the delayed reply, I think that the visits to affected properties should be on an individual basis. I know that the Combes property, Simon and Sarah Lawton/Taylor property and Melhopt property would appreciate a visit if they have not already been organized.

For submission comments on the commissioner comments I will send an email that is generic to the property owners but you should also expect individual comments.

If you would like to discuss over the phone I can be reached at 021 337 599.

Regards
David

I am just checking that this was for your site, or are you specking for the group?

If for the group, how many and what is the address to ensure I give enough time.

Thanks,
Heather

Kia ora,

As per my last email, David would like to do an on-site visit this week; Thursday, 3 November, between 8:30-4, is the date that works best for those that replied.

If this date works for you and you would like David to visit your site, please let me know ASAP with the time you would like, and I can prepare a schedule for David.

If I don't hear from you, I will take that as you don't want a visit.
