### Point 1

Provisions to which my/our submission relates:

My position on this provisions is:

The reasons for my/our submission are:

We farm the land to the south of EDWARDS ROAD on the corner of Edwards Road and Brookside Roads. We see the need for residential expansion of Rolleston and in principle support this application but ask for measures to minimise effects that the development will have on rural activity as follows

1. That prior to development commencing that Edwards Road be sealed.

2. That all development of the site occur from a single entrance from Brookside Road.
3. That consideration be given to the effects on farming on the urban rural boundary either by:

  - Or measures are taken to minimise the impact of the development on uses south of Edwards Road.

The decision I/we want Council to make:

Amended to allow for measures listed in column 3
