Point 1

Provisions to which my/our submission relates:

My position on this provisions is:

Support

The reasons for my/our submission are:

Rolleston is on it's way to becoming a city in its own right and more land needs to be opened up and made available so that it can grow accordingly. The provision is that there is also enough land being rezoned commercial/retail so that there can be enough shops and services to support the growing population. I believe Rolleston will continue to become the fastest growing area in Chch and this growth needs to be supported. People want to live in Rolleston but the lack of available land is a problem. |

The decision I/we want Council to make:

I support the opening of more land in Rolleston to be residential and also for this land to be high density.
